Health Fund

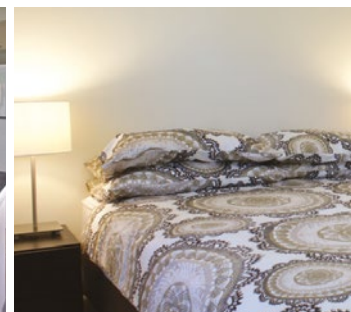

Queensland Country Health Fund providing a home away from home when you need it most.

Often our Members need to travel to Townsville or Brisbane for medical or hospital treatment. Many will be treated as outpatients, which means they will need to locate accommodation close to the hospital where they are to receive treatment.

Queensland Country Health Fund has helped meet this vital need by providing a complex of two bedroom, fully self-contained and furnished apartments in Pimlico (Townsville) and Auchenflower (Brisbane). Just a stones throw away from the Mater Hospital in Townsville and the Wesley Hospital in Brisbane.

These apartments offer comfortable, peaceful accommodation, in pleasant surrounds exclusively for our Members needing medical attention. McIlwraith on the Park can accommodate a maximum of six guests in each apartment. Roy Harris Place can accommodate up to four guests. For the comfort of current and future guests, smoking is not permitted inside the apartments, on the outside balcony or patio, or in the confines of the complex.
