Hospital cover

Core Hospital (Basic+) Cover is a straightforward hospital option designed for those looking for essential protection at an affordable price. It covers a range of core hospital services and provides peace of mind for common treatments like tonsils, adenoids and grommets, dental surgery, joint reconstructions and more, without the cost of higher-tier cover for services you may be less likely to need. Core Hospital (Basic+) Cover can be held on its own or packaged with any of our extras options. You can choose a \$500 or \$750 excess with this cover, which is payable on admission to hospital or day surgery.

What you are covered for

This provides a summary of cover and isn't intended to be an extensive list of all the services covered. Additional information on this cover can be found in the Membership Guide available at queenslandcountry.health/brochures

Excess options

✓ \$500

✓ \$750

An excess is an amount you agree to pay upfront before a benefit is paid for overnight or same day hospital/day surgery admissions. You can choose to have a \$500 or \$750 excess. The total excess is payable once per person per Membership Year, up to a maximum of twice the nominated excess amount for a couples/family membership.

Each person on the membership will never pay the excess more than once per Membership Year. The only exception to this would be where the nominated excess is not fully paid or charged on a single hospital/day surgery admission. In this situation the remaining balance up to the nominated excess amount will be payable on any subsequent admissions that person may have in the same Membership Year.

Dependents aged 21 and under are exempt from paying an excess.

Waiting periods

Initial waiting period

Palliative care, Hospital psychiatric services, Rehabilitation and all other hospital treatment/services where there are no

Pre-existing conditions (excluding accidental injury*)..... 2 months

Pre-existing ailments, conditions or illnesses..... 12 months

Pregnancy and birth 12 months

Emergency ambulance treatment 1 day

* Cover for an accident is immediate provided it is not recoverable from another source such as Workers' Compensation, third party or other liability provision. Sporting accidents sustained by professional sportspeople in activities relating to their full-time employment, including training and competition are subject to a two month waiting period.

Medical costs

These are the fees that are charged by a doctor, surgeon, anaesthetist or other specialist for any treatment given to you whilst you're an inpatient in hospital. Private health insurance means that generally you can choose your own doctor and decide whether you will go into a public or private hospital. If you choose private, this may also mean you will have more of a choice of when your procedure will take place.

You are covered for the cost of medical fees up to the Medicare Benefit Schedule (MBS) fee. The MBS fee is the amount set by the Federal Government for each medical service covered by Medicare. You must be eligible for Medicare in order to be covered up to the MBS fee. If you choose to be treated as a private patient in a hospital (public or private), Medicare will cover you for 75% of the MBS fee for associated medical costs and we will cover the remaining 25%. If your specialist charges more than the MBS fee there will be a 'gap' for you to pay. However, the Queensland Country Health Fund Access Gap Agreement can help eliminate or reduce the gap for you if your doctor/s chooses to use it.

Please note: Access to benefits for medical costs associated with a hospital or day surgery admission is still subject to the eligibility to benefits for the treatment or service. If the hospital treatment or service is an excluded service on your cover or you have not fully served all the appropriate waiting periods for that service, you will only be entitled to 75% of the MBS fee. No benefit will be paid by Queensland Country.

Access Gap Cover

This is a direct billing arrangement between Queensland Country and your doctor/s that in most instances eliminates your out-of-pocket expenses for in-hospital doctor's fees (the gap). If your doctor charges up to the Medicare Benefits Schedule fee or is participating in the Access Gap Cover Scheme, in most cases you will have limited out-of-pocket costs. For doctors who are not participating in the Access Gap Scheme and are charging above the MBS fee, we will pay the difference between the Medicare benefit and the MBS fee. Any amount above the MBS fee will be the amount you are required to pay and this is referred to as your 'gap' fee or out-of-pocket expenses.

Extra value from your membership

For further information on any of the following benefits please visit our website at queenslandcountry.health

Exclusive unit accommodation

Queensland Country Health Fund has self-contained units in both Brisbane and Townsville exclusively available to our Members travelling to those locations for medical treatment. These two bedroom units can be booked at very reasonable rates for an overnight stay or for several weeks, depending on your needs.

Accommodation benefits

An accommodation benefit is available on all Queensland Country hospital products. This will apply to Members who need to travel 300 km or more return journey for hospital treatment. Where a parent or carer travels with a dependent aged 12 years and under (the patient), there is no minimum travel distance required. The benefit will be up to \$50 per night and will apply for the period of hospitalisation, including one night prior to hospitalisation and also the night of discharge. A carer or support person is permitted to stay in the accommodation, however the benefit will only apply to one room per Member per hospitalisation.

The benefit will not be paid for stays in Queensland Country Health Fund units, which are already heavily discounted for Members.

Age-based discount

If you're 18-29 years and not currently covered under your parent/s or guardian/s policy, you'll be entitled to a discount on your Queensland Country hospital cover. Depending on your age, the following discount will apply:

Age	Discount
18-25	10%
26	8%
27	6%
28	4%
29	2%

Your discount will be retained in full until you turn 41 (unless age-based discounts are discontinued on your policy). The discount will then gradually phase out by age 45, as per the following:

Age	Discount
41	Age-based discount, less 2%
42	Age-based discount, less 4%
43	Age-based discount, less 6%
44	Age-based discount, less 8%
45	0%

Members will be allowed to retain their age-based discount when transferring from another hospital product, whether internally or from another fund. This allowance means this policy is referred to as a retained age-based discount policy.

Ambulance cover

Nationwide ambulance cover is available for Members with a Queensland Country Health Fund hospital policy who reside outside of Queensland or Tasmania (nationwide emergency ambulance services for Queensland and Tasmanian residents are already covered by their respective State Governments). Ambulance benefits will be applied to emergencies only and limited to one per person per Membership Year, when provided by recognised providers. Conditions apply.

Planning a trip
to hospital?

If you're planning any treatment or have a hospital procedure coming up, we would love to know about it. If you call us first we can discuss your options, assist with what you're covered for and check that you have served all waiting periods and you're all set to go. This way you can be more confident when attending medical appointments and will have a better idea of what to expect when you're admitted to hospital.
