## Extra value from your membership

For further information on any of the following benefits please visit our website at [queenslandcountry.health](http://queenslandcountry.health)

### Exclusive unit accommodation

Queensland Country Health Fund has self-contained units in both Brisbane and Townsville exclusively available to our Members travelling to those locations for medical treatment. These two bedroom units can be booked at very reasonable rates for an overnight stay or for several weeks, depending on your needs.

### Accommodation benefits

An accommodation benefit is available on all Queensland Country hospital products. This will apply to Members who need to travel 300 km or more return journey for hospital treatment. Where a parent or carer travels with a dependent aged 12 years and under (the patient), there is no minimum travel distance required. The benefit will be up to \$50 per night and will apply for the period of hospitalisation, including one night prior to hospitalisation and also the night of discharge. A carer or support person is permitted to stay in the accommodation, however the benefit will only apply to one room per Member per hospitalisation.

The benefit will not be paid for stays in Queensland Country Health Fund units, which are already heavily discounted for Members.

### Age-based discount

If you're 18-29 years and not currently covered under your parent/s or guardian/s policy, you'll be entitled to a discount on your Queensland Country hospital cover. Depending on your age, the following discount will apply:

Age	Discount
18-25	10%
26	8%
27	6%
28	4%
29	2%

Your discount will be retained in full until you turn 41 (unless age-based discounts are discontinued on your policy). The discount will then gradually phase out by age 45, as per the following:

Age	Discount
41	Age-based discount, less 2%
42	Age-based discount, less 4%
43	Age-based discount, less 6%
44	Age-based discount, less 8%
45	0%

Members will be allowed to retain their age-based discount when transferring from another hospital product, whether internally or from another fund. This allowance means this policy is referred to as a retained age-based discount policy.

### Ambulance cover

Nationwide ambulance cover is available for Members with a Queensland Country Health Fund hospital policy who reside outside of Queensland or Tasmania (nationwide emergency ambulance services for Queensland and Tasmanian residents are already covered by their respective State Governments). Ambulance benefits will be applied to emergencies only and limited to one per person per Membership Year, when provided by recognised providers. Conditions apply.
